Karoline Nore

My name is Karoline Nore, and I am 18 years old. I live in Førde, which is a small town in Norway. I've played volleyball for about 8 years, and I still play almost every day. I have been to many places because of volleyball, for example in Moscow in Russia with the national team, and also Milano in Italy. Right now, I play in Førde in the elite series. There is a lot of traveling around when we are playing matches, which I really enjoy. I think I'm very lucky because I get to play with a lot of good friends, and that makes volleyball so much more fun. I don't play other sports, but I also enjoy

training strength at the gym.
